

# STAGE 1: REAR FACING

- Remain rear facing to the limits of the seat - preferably until a minimum of age two
- Harness at or BELOW shoulder level
- Installed at correct recline according to manual
- Legs touching the back of the seat is fine - kids can sit in ways that would be uncomfortable for us
- Outgrown when the child approaches the height or weight limits for the seat, or has 1" or less of hard shell above the head (consult your manual for specifics)
- When using an infant seat, check for approved in vehicle handle position(s)
