

## Fundraising Opportunity

The County of St. Paul and Town of St. Paul are each looking for a non-profit group, service group or sports team to assist with cleanup of the public stands/areas after the LRA Rodeo Performances from August 28 to August 31, 2025. The group selected by the Town will work with the group selected by the County to decide which two performances they will each clean and which performance they will clean jointly. Each group will receive a \$1,500 honorarium for the cleanup as well as the collection of bottles after each performance. A minimum of 12 volunteers is required for each post performance clean up. If you are interested in this fundraiser, submit a letter explaining a little bit about your organization and what the funds will be used for, along with your contact information.
